
More than Schimanski: THE SPIRIT remembers Götz George (1938 - 2016)

Berlin, June 28th, 2016: In boundless admiration, THE SPIRIT remembers Götz George (July 23, 1938 - June 19, 2016, "Kirmes", "Der Schatz im Silbersee", "Mensch und Bestie", "11 Uhr 20", "Diamantendetektiv Dick Donald", "Aus einem deutschen Leben", Tatort", "Der Totmacher", "Schimanski"). We made two long interviews together in 1996 and 2006 and met a few times. The legendary actor was an intelligent, sensitive and warm-hearted person. Götz was also a great admirer of actor genius Oskar Werner (1922 - 1984). Take a look at our picture from March 2, 2006 (Berlin, photo by Moritz Thau for SPIRIT - A SMILE IN THE STORM www.spirit-ein-laecheln-im-sturm.de / www.spirit-fanzine.com). The black-and-white image shows the young Götz George (Archive Hairapetian). And please read my Götz George tribute in two parts on occasion of his 65th birthday in 2003 for Spiegel Online:
